About the RMNI LOVE Grant Program

Rimini Street launched the inaugural RMNI LOVE Grant Program in 2022 in its hometown of Las Vegas, by granting five local charities \$10,000 each. The selected charities were invited to share their stories during a special reception held at the Company's Las Vegas office, with members of the community and Rimini Street colleagues in attendance. Highlights of the event can be found [here](#).

Honoring the Company's "Follow-the-Sun" model of client support, which allows for cases to always be looked after by dedicated engineers until resolved, the RMNI LOVE Grant Program set its sights towards the APAC region for 2023.

"The Company selected Tokyo as the 2023 host of the program, recognizing and celebrating Rimini Street's rich history and continued success in Japan. With hundreds of well-established clients and a growing team of extraordinary talent, we are excited to share our RMNI LOVE with the charities who empower the communities we live and work in," said Yorio Wakisaka, Rimini Street's general manager of Japan.

The RMNI LOVE Grant Program is part of Rimini Street's annual RMNI LOVE Month Program, which takes place during the month of February. Colleagues are encouraged to share their gratitude for the core values of Rimini Street, known as the 4C's – Company, Clients, Colleagues, and Community – by sending messages of appreciation via emails, comments on the Company's internal communication platform, and social media.
